The Alice Hawkins Project

“Creating HERstories...”

Do YOU Have a Story to Tell?

As part of the Alice Hawkins Heritage Project, the LeicestHERday Trust is looking for women from all walks of life to share their personal stories with a young volunteer.

Every woman has a story to tell, and we want to hear about YOUR experiences, achievements, challenges and triumphs as a woman living in Leicester, Leicestershire or Rutland over the last 100 years.

Do you have an interesting heritage you would like to share with our young people?

Have you or anyone in your family had to overcome barriers or obstacles in life?

Have you had to fight to achieve equality?

Could other people be inspired by your struggles?

The stories YOU provide will all be recorded by young volunteers and made into a lasting record that will celebrate Leicester's history and provide young people with a unique and fascinating insight into the lives of women living their local communities.

Whatever your story, we would love to hear from you!

If you are interested in taking part, please contact Lara on 0116 2575615 or email lara@leicestherday.org.uk
